Crystal Salt

Soft-Sel Softener Crystal Salt

... for better drinking water experience ...

Technical Data

Chemical specification:

NaCl	≥ 99,8%
H ₂ O	< 0,1%
Ca	< 0,06%
Mg	≤ 0,03%

- Meets the European standard EN 973 type A
- DIN 19604
- AFNOR T90-612
- conform European Biocide regulation BPR 528/2012 EU (NOTIF1032)

Crystal Salt - Soft-Sel

Salt crystals produced for water softeners ion exchange resin regeneration.

Soft-Sel Crystals is very pure refined salt and has been developed especially for the softening of water for human consumption and water used in the food industry.

For use in both domestic and industrial appliances.

Grain size*	min.	max.
< 2000 µm	0%	5%
2000 - 5000 µm	0%	20%
5000 - 16000 µm	70%	100%
16000 µm	0%	5%
20000 µm	0%	1%
Bulk Density	1150 - 1300 kg/m ³	

* the grain size analysis is performed according to ISO 13322-2:2006 with Sympatec Qicpic Particle Analyzer

Legislation - Contaminants - Impurities

Meets the European standard EN 973 type A for regeneration salt for ion exchangers • is registered on the article 95 list of ECHA and complies with the European biocide legislation BPR 528/2012 EU • is notified in Belgium as a precursor for in situ generation of active chlorine, registration number NOTIF1032 • suitable for domestic and industrial appliances • suitable for the softening of drinking and water used in the food industry • production facilities are conform to the hygienic requirements for the fabrication of raw materials for food industry (852/2004/EC) • free of foreign and harmful elements • specifications are based on internal and external quality controls • it remains the user's responsibility to perform an entry inspection and to check the suitability of the product for the intended application.

Filter-Online

Nordic Filtration Solution

SHOP ONLINE

At www.filter-online.com you will find a wide selection of filtration products ready for you to order.

ABOUT US

Filter-Online is a Danish company based in Søndersø on Fyn. We specialize in filtration solutions.

Thus, Filter-Online offers a varied selection of filtration products for water. We distribute our products to customers around the world. The hallmark of all our products is high quality. With us you are sure to get the right solution for your particular needs, which ensures optimum water quality.

On our webpages you can orientate in our wide selection of filtration products for water.

When you order in our webshop, free delivery is based on country and the minimum amount of packages between 0 and 20 kg.

Of course, we also provide guidance if you need it.
